Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Monday 24 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with occasionally heavy rain.

Today:
A wet start with persistent and occasionally heavy rain, the rain tending to become lighter and more occasional this morning, especially across eastern and southern Aberdeenshire. Remaining cloudy this afternoon with further outbreaks of occasionally heavy rain. Maximum temperature 13 deg C (55 deg F).

Tonight:
Mostly cloudy this evening with occasionally heavy rain. The rain turning more showery overnight, but still heavy at times, with some clearer spells developing. Minimum temperature 5 deg C (41 deg F).

Tuesday:
A brighter day with some sunny spells but also occasionally heavy showers, these may merge to give some longer spells of rain at times. The showers becoming less frequent later. Maximum temperature 13 deg C (55 deg F).

Outlook for Wednesday to Friday:
Rather cloudy start Wednesday but becoming brighter with a few showers. Thursday looks dry with sunny spells but after a bright morning Friday, cloud and patchy light rain spreads east.
